## SECTION A: "At The Beach" - DESIGNER'S CHOICE

Entries Chair: Jill Anderson 798-1970, email [jillanderson@aol.com](mailto:jillanderson@aol.com)

*Entry forms must be received no later than March 18, 2021*

### Class 1: "Dolphin Watching"- 4 Entries

*Dolphins are so intelligent that, within a few weeks of captivity, they can train a man to stand on the edge of their pool and throw them food three times a day.*

A Creative Design - HB p. 75 Staged: TBD Frame of Reference: TBD

### Class 2: "Beach Volleyball" - 4 Entries

*Beach volleyball is the only Olympic sport that has a rule prohibiting players from wearing too much! In 1992, beach volleyball was introduced at the Summer Olympics.*

A Creative Design - HB p. 75 Staged: TBD Frame of Reference: TBD

### Class 3: "Picnic" - 4 Entries

*The weather is beautiful, and the beach is whispering, "Come!". Seize the moment for a simple beach picnic that will be the perfect setting for fun and memories.*

A Functional Alfresco Table for Two - HB p. 76 Staged: On a 37" square card table, 29" high. Table cover: TBD Frame of Reference: 37" x 37", Freestanding – Viewed equally from all sides.

### Class 4: "Looking For Seashells" - 4 Entries

*Looking for seashells is a treasure hunt. You never know what you'll find. Wave-washed shells turn up all over the world, although some of the best beaches for finding them are in the florida.*

A Creative Design - HB p. 75 Staged: TBD Frame of Reference: TBD

## Division II – Horticulture Classes

Entries Chair: Cathy Holzgart 345-8329 [cathy.holzgart@yahoo.com](mailto:cathy.holzgart@yahoo.com)

*Cut Specimen entry forms must be received by Monday May 10.*

**ALL OTHER PLANTS MUST BE REGISTERED BY MAY 3, 2021**

### SECTION A - CONTAINER GROWN Blooming

- |                                   |                        |                                            |
|-----------------------------------|------------------------|--------------------------------------------|
| 1. <i>Adenium</i> (desert rose)   | 8. Orchids             | g. Any other flowering orchid              |
| 2. <i>Anthurium</i>               | a. <i>Cattleya</i>     |                                            |
| 3. <i>Amaryllis</i>               | b. <i>Dendrobium</i>   | 9. <i>Spathiphyllum</i> (peace lily)       |
| 4. <i>Begonia</i>                 | c. <i>Epidendrum</i>   | 10. <i>Saintpaulia</i> - Single Crown Only |
| 5. <i>Crinum</i>                  | d. <i>Oncidium</i>     |                                            |
| 6. <i>Justicia</i> (shrimp plant) | e. <i>Phalaenopsis</i> | 11. Any other worthy flowering specimens   |
| 7. <i>Mandevilla</i>              | f. <i>Vanda</i>        |                                            |

### SECTION B – BROMELIADS Foliage

- |                      |                       |                      |
|----------------------|-----------------------|----------------------|
| 1. <i>Aechmea</i>    | 4. <i>Cryptanthus</i> | 7. <i>Tillandsia</i> |
| 2. <i>Ananas</i>     | 5. <i>Guzmania</i>    | 8. <i>Vriesea</i>    |
| 3. <i>Billbergia</i> | 6. <i>Neoregelia</i>  |                      |

9. Any Other Worthy Named Specimen

### SECTION C - CONTAINER GROWN SPECIMENS Foliage

- |                                          |                                      |                                     |
|------------------------------------------|--------------------------------------|-------------------------------------|
| 10. <i>Aglaonema</i> (Chinese evergreen) | 17. <i>Cordyline</i> (ti plant)      | 24. <i>Philodendron</i>             |
| 11. <i>Alocasia</i>                      | 18. <i>Dieffenbachia</i> (dumb cane) | 25. <i>Plectranthus</i> (coleus)    |
| 12. <i>Anthurium</i>                     | 19. <i>Dracaena</i>                  | 26. <i>Syngonium</i>                |
| 13. <i>Aspidistra</i> (cast iron)        | 20. <i>Epipremnum</i> (pothos)       | 27. <i>Zamioculcas</i> (ZZ plant)   |
| 14. <i>Begonia</i>                       | 21. <i>Hedera</i> (ivy)              | 28. Any Other Worthy Named Specimen |
| 15. <i>Caladium</i>                      | 22. <i>Maranta</i>                   |                                     |
| 16. <i>Calathea</i>                      | 23. <i>Peperomia</i>                 |                                     |

### SECTION D – CONTAINER GROWN SPECIMENS Ferns

- |                                    |                                    |                                     |
|------------------------------------|------------------------------------|-------------------------------------|
| 29. <i>Adiantum</i> (maidenhair)   | 33. <i>Nephrolepis</i>             | 36. Any Other Worthy Named Specimen |
| 30. <i>Asplenium</i> (bird's nest) | 34. <i>Platycterium</i> (staghorn) |                                     |
| 31. <i>Davallia</i> (footed)       | 35. <i>Polypodium</i> (true)       |                                     |
| 32. <i>Microsorium</i>             |                                    |                                     |

### SECTION E. – CACTUS AND SUCCULENTS

- |                                        |                                        |                                         |
|----------------------------------------|----------------------------------------|-----------------------------------------|
| 37. <i>Aeonium</i>                     | 46. <i>Euphorbia</i>                   | 55. <i>Opuntia</i>                      |
| 38. <i>Agave</i>                       | 47. <i>Gasteria</i>                    | 56. <i>Pachypodium</i>                  |
| 39. <i>Aloe</i>                        | 48. <i>Graptopetalum</i> (ghost plant) | 57. <i>Rhipsalis</i>                    |
| 40. <i>Beaucarnea</i> (pony tail palm) | 49. <i>Haworthia</i>                   | 58. <i>Portulacaria</i> (elephant food) |
| 41. <i>Bowiea</i> (climbing onion)     | 50. <i>Hoya</i>                        | 59. <i>Sedum</i>                        |
| 42. <i>Cleistocactus</i>               | 51. <i>Huernia</i>                     | 60. <i>Stapelia</i> (carrion flower)    |
| 43. <i>Crassula</i> (jade)             | 52. <i>Kalanchoe</i>                   | 61. Any Other Worthy Named Specimen     |
| 44. <i>Dorstenia</i>                   | 53. <i>Mammillaria</i>                 |                                         |
| 45. <i>Echeveria</i>                   | 54. <i>Notocactus</i>                  |                                         |

### SECTION F – MULTIPLE & UNUSUAL PLANTINGS

- |                                                     |                                              |
|-----------------------------------------------------|----------------------------------------------|
| 62. Dish Gardens – Cactus and/ or Succulents        | 65. Terrariums                               |
| 63. Dish Gardens – Other than Cactus and Succulents | 66. Unusual planters with a single specimen  |
| 64. Planters of multiple specimens non-blooming     | 67. Unusual planters with multiple specimens |

### SECTION G – ARBOREAL Flowering Cut Specimens

- |                         |                               |                                     |
|-------------------------|-------------------------------|-------------------------------------|
| 68. <i>Allamanda</i>    | 71. <i>Hamelia</i> (firebush) | 74. <i>Jatropha</i>                 |
| 69. <i>Clerodendrum</i> | 72. <i>Hibiscus</i>           | 75. Any Other Worthy Named Specimen |
| 70. <i>Gardenia</i>     | 73. <i>Ixora</i>              |                                     |

### SECTION H– CUT SPECIMENS Tropical Foliage

1. Blowing in the Wind (Leaves with Fan or Palm Shaped Growth Patterns)
2. Walk the Straight & Narrow (Straight, Narrow Leaves)
3. Stepping Stones (Variegated Foliage with Spots)
4. Bridge to Nowhere (Striped Leaves)
5. Let the Light Shine Through (Leaves with Naturally Occurring Gaps)
6. Moving in the Right Direction (Leaves with Scalloped or Wavy Edges)
7. Look out for the Sneaky Snake (Leaves with Twisted Growth Patterns)
8. Green Foliage along the Way (Any Other Worthy Cut Tropical Foliage with Interesting Growth Habits)
