

Dear Members,

Our fairy garden class is being held at the Garden Club on Thursday FEBURARY 26 at 10am.

We want you to enter your fairy garden in our Flower Show so there are some rules:

The container cannot exceed 14 inch in diameter AND cannot exceed 20 lbs. . All types of accessories are permitted. Some live plant materials must be included. Each specimen must be correctly and clearly labeled with the current scientific designation and in a manner to easily identify the specimen's location in the garden. This may be done with a single chart or individual place cards. Also, garden is in your possession for 6 weeks.

**Plants:** Nursery/grocery store. Check out two green thumbs.com. (small plants and consider growth during the 6 week period. )

**Accessories:** check out doll house miniatures, flea market and thrift stores, Jo Ann's craft store or other craft stores.

**Contents:**

Charcoal pieces, potting soil, colored sand, pebbles, rocks, small tiles, colored pebbles. (**note:** not all needed. It depends what you want your garden to look like.) **Note:** Pet stores are a good place to look for some of these items in the aquarium section.

Types of plants:

- a. Cactus
- b. Foliage (other than succulent and catus)
- c. Succulent (other than cactus)
- d. Any other worthy fairy garden plant.

Be creative and have a place for your fairies to play.
